Qualities and Elements

Jennifer's strongest Quality is Fixed and Brad's strongest Quality is Cardinal

Relationships between Cardinal and Fixed personalities are challenging. Brad likes change and is good at getting things off the ground; whereas Jennifer resists change and tends to hold onto the known and familiar. Problems can arise between you if Brad's initiatives are opposed or Jennifer stubbornly refuses to move forward in life. Positively, Brad stimulates and stirs Jennifer into action and she, in turn, has a stabilizing influence on him.

Jennifer's strongest Element is Air and Brad's strongest Element is Earth

Relationships between Earth and Air personalities are usually mutually rewarding at a material level, but not always emotionally satisfying. Jennifer has ideas and Brad can provide the security and resources to put them into action. This pairing can make a good business partnership.

Jennifer's Houses

Brad's Planets in your Houses

His Sun is in your 2nd House

Monetary matters are important between you. Your financial status and attitudes towards money change through knowing Brad. You may become involved in joint financial ventures. He can influence how and where you spend your cash. Touches of extravagance may be expected in this relationship from time to time.

His Moon is in your 3rd House

He has a way of getting you to open up and talk about your feelings. He senses when you have something on your mind; and knows how to draw you out of yourself. You may spend a lot of time talking about domestic and family matters, though you probably don't spend a lot of time at home. You may move around a lot together; taking short trips here and there.

His Mercury is in your 3rd House

The way he thinks and says things strike a chord in you. He has a compelling way with words that you find stimulating and invigorating. You bounce ideas off one another, and when you team up together you make a great double act. You learn a lot from one another and alternate between playing each other's teacher and student.

His Venus is in your 3rd House

You love talking to each other and enjoy sharing intimate discussions. Good communication is what makes this relationship work. He can open your mind up to art and literature. Your social life is likely to be active and stimulating, with many invitations extended to you as a couple.

His Mars is in your 3rd House

Communication between you is direct and straight-forward. There's no beating about the bush with you two. You have a great sparring partner in Brad. Here is someone who is not afraid to 'vent his spleen' and tell you exactly what's on his mind. One thing is for certain, you always know where you stand with each other.

His Jupiter is in your 6th House

He has a beneficial influence on your experience of work; he could even be your teacher in some kind of specialized field. You look after each other's health needs and strive to live a healthy and happy life. You recognize the importance and benefits of a good diet and physical exercise.

His Saturn is in your 4th House

Living together in harmony might not be the easiest state to achieve. He tends to throw his weight around on the home front. He feels that he has to control or take charge of situations, even when it's not wanted or required. His relationship with your family might not be all that it could be.

His Uranus is in your 11th House

Your friends are simultaneously fascinated by and unsure of what to make of Brad. They see him as someone who is independent and freedom-loving but also unpredictable and possibly unreliable. He probably won't come between you and them, but he will definitely keep them intrigued and guessing.

His Neptune is in your 1st House

You tend to be quite enchanted by Brad and think of him as a spiritual or even mystical person. He may well be these things, but he could just as easily be a dreamer or deceiver, so be careful and circumspect.

His Pluto is in your 11th House

There is something about Brad that doesn't sit easily with your friends and close acquaintances. They sense that he may have more control over you than is healthy for you and their relationship with you. This can cause feelings of jealousy and resentment towards - or from - him.

His Moon's North Node is in your 9th House

Through his ideas and actions he teaches you about the importance of spiritual matters and education.

His Ascendant is in your 3rd House

Some people just seem to know how others think and what's on their minds. Brad and you have that sort of relationship. He is on your wavelength.

His Midheaven is in your 11th House

You feel a personal connection to Brad. He is someone you call your friend. With your influence, your friends may help him to realize or achieve his personal or professional aspirations.

Brad's Houses

Jennifer's Planets in your Houses

Her Sun is in your 3rd House

Communication is vital to this relationship. Jennifer encourages you to speak your mind and you will probably have many heart to heart discussions with each other. She may tend to initiate or dominate conversations. After all, she likes to be at the center of attention. One of the best ways to keep things stimulating between you is to have the occasional short trip away together.

Her Moon is in your 10th House

Your life headed off in a new direction when you met Jennifer. She has an instinct for what you are capable of achieving and is willing to support you in your career and personal goals. Through her you may lift your public profile and become quite well-known in your work.

Her Mercury is in your 2nd House

You and Jennifer talk a lot about financial and business matters. No doubt, she has many ideas on how you can spend or invest your money; just make sure that you are confident she knows what she's talking about. If you do trust her abilities she can help you make good financial decisions.

Her Venus is in your 3rd House

You love talking to each other and enjoy sharing intimate discussions. Good communication is what makes this relationship work. She can open your mind up to art

and literature. Your social life is likely to be active and stimulating, with many invitations extended to you as a couple.

Her Mars is in your 4th House

She is sure to make her presence felt in the home. She will naturally take charge of domestic affairs or chores and organize how things should be done around the house. She has strong views on family relationships and conflicts among family members is possible. Living with her is never boring.

Her Jupiter is in your 11th House

You might not find a better friend in life than you have in Jennifer. She is loyal, trustworthy and generous. You literally feel yourself light up inside when she calls or walks into the room. She encourages you to pursue your dreams and is supportive in many ways, even financially if need be.

Her Saturn is in your 10th House

She can lend you solid and practical support in your personal and professional aims. She may have experience in a particular area that is helpful to you. However, you can never be sure if she doesn't have an ulterior motive when she offers to help you out. It is possible that she wants to control the direction of your life for her own purposes.

Her Uranus is in your 12th House

Just when you thought you had it all figured out, along comes Jennifer and suddenly you're realizing that you still have a few fears and hang-ups to put to rest. If it wasn't for her unique insights you might never have become aware of some of your hidden talents.

Her Neptune is in your 5th House

This is a very dreamy and romantic relationship. Just be careful that you don't get swept off your feet and led astray or seduced against your will - especially when under the influence of alcohol or drugs. Your love affair may be a secret one that can go undetected by outsiders for years and years. She may inspire you creatively and artistically.

Her Pluto is in your 3rd House

Be very aware of what you say to Jennifer and how you say it because she has a way of seeing right through you. If you try to pull the wool over her eyes you'll draw the full force of her power down on your head. She has penetrating insights and can transform the way you think.

Her Moon's North Node is in your 8th House

Through her ideas and actions she teaches you the value of sharing and receiving. You learn about joint resources.

Her Ascendant is in your 10th House

She can see just what it is that you are trying to achieve in your personal and professional life. She is keen to help you realize your goals in whatever way she can.

Her Midheaven is in your 7th House

It could well be that you fulfil Jennifer's relationship aspirations. She recognizes a deeply personal connection can be formed between you.

Aspects

Jennifer's Sun is Sextile Brad's Sun 4°41' A

This is a very harmonious relationship combination. An agreeable aspect between your Suns makes for an ease of interaction and good mental understanding. You value one another's strengths and support each other's ambitions. You have similar temperaments and goals in life.

Jennifer's Moon is Square Brad's Mars 4°23' A

If you like stressful relationships then you are made for one another. This combination is hard work. Expect many disagreements and arguments. You have quite different approaches to life; one is highly sensitive and relates to others emotionally and the other is impulsive and insensitive to the needs of others. The latter will tend to dominate the former and stomp all over their feelings. There is the tendency for you to strike out at each other in frustration or anger.

Jennifer's Moon is Opposition Brad's Jupiter 4°44' A

The difficult aspects between Jupiter and the Moon are not usually too demanding. In general, you both desire the same fundamental things in a relationship: emotional harmony, mutual respect and the ability to advance and prosper in life together. You are honest with one another and you both want to make the other as happy as possible. Some problems can arise over philosophical differences, extravagance or displays of indifference and neglect. Otherwise, this is a good relationship combination.

Jennifer's Mercury is Sextile Brad's Jupiter 0°52' S

There is an ease of communication between you. Honesty and frankness are important to you both. You are interested in one another's ideas and tolerant of each other's and other people's beliefs and attitudes.

Brad's Sun is Square Jennifer's Venus 2°38' A

This can be a challenging relationship dynamic. You are physically attracted to one another; however this may be where the connection between you begins and ends. It is probable that you like what you see in each other, but relationships based on external appearances alone don't tend to last long. In order to allow any contact between you to grow beyond the physical you need to find each other's inner beauty.

Jennifer's Venus is Sextile Brad's Venus 5°12' A

You are warm-hearted and cordial towards each other and you relate to one another easily and naturally. You are attracted to each other and share similar desires and aesthetic tastes.

Jennifer's Venus is Opposition Brad's Midheaven 0°51' S

The connection between you is deep and loving. You feel that you really know each other intimately and that you belong together. You have similar personal and family interests. Your home is beautiful and harmonious.

Jennifer's Mars is Opposition Brad's Midheaven 4°18' A

Your domestic life together is busy and energetic. There is always something to attend to within the family or around the house. Your home is like Grand Central Station with people constantly coming and going. There can be tensions between you or with family members.

Brad's Moon is Sextile Jennifer's Jupiter 5°25' S

You are open and honest in your feelings for one another and enjoy emotional harmony. You have an instinct for each other's emotional needs and a strong desire to make one another as happy as possible. You have the ability to advance socially together and to prosper financially and materially. Traveling together should be easy and enjoyable.

Brad's Mars is Sextile Jennifer's Jupiter 1°11' S

You are an enterprising and ambitious pair; and know what it takes to be successful in life. You encourage and push one another to achieve your mutual goals. You like starting new projects together and seeing them through to their conclusion.

Jennifer's Jupiter is Sextile Brad's Uranus 1°48' A

You encourage each other to be adventurous and to try new things. From this you both grow and increase your understanding of the world and one another. You share similar spiritual and philosophical attitudes.

Jennifer's Jupiter is Sextile Brad's Pluto 5°58' A

Through open-mindedness and tolerance to one another's fundamental belief systems, you can learn a great deal about yourselves and each other. You have the power to transform one another's view of the world.

Jennifer's Jupiter is Trine Brad's Moon's North Node 2°53' A

The connection between you is generally harmonious and mutually uplifting. You get along well with each other and are tolerant and supportive of one another's outlooks and beliefs. You interact well together with others and make many friends as a couple.

Brad's Moon is Square Jennifer's Saturn 2°44' S

Expect emotional dissatisfaction with this planetary combination. You find it difficult to get close to each other. One of you tends to be very sensitive and the other can be standoffish and controlling. The former often feels that their feelings are held in check by the more saturnine partner. This can cause disharmony between you and within the domestic environment. Interference from outside influences, such as other women or family connections, can put your relationship under pressure. Emotional and physical distance can occur and eventually lead to estrangement or separation.

Brad's Mercury is Square Jennifer's Saturn 4°22' S

Anticipate communication problems between you. There are misunderstandings caused by inattention or not listening to one another. Problems are likely, too, from nagging and nit-picking. You need to make every effort to respect one another's viewpoints and avoid making negative comments if you disagree with them, otherwise you will become frustrated and create barriers between each other.

Brad's Mars is Square Jennifer's Saturn 1°30' A

The difficulties in this planetary combination are not to be taken lightly. You both need to be very certain that you have the individual strength to contend with the inherent challenges of this relationship. One of you tends to dampen the desires and restrict the movement of the other. Over time, this causes resentment and suppressed anger between you. There is a danger of violence or physical injury.

Brad's Jupiter is Opposition Jennifer's Saturn 1°09' A

This can be a problem area in your relationship. You have quite different philosophical outlooks and attitudes about money. One of you tends to be financially conservative, while the other can be quite the spendthrift. This leads to arguments and mutual feelings of frustration. Travelling together is not without its ups and downs.

Jennifer's Saturn is Square Brad's Moon's North Node 0°12' S

There is a karmic dimension to your connection. It is as if you both have something to learn from each other or something to work out between you. The main test is in your ability to adapt to each other.

Jennifer's Saturn is Square Brad's Ascendant 4°33' S

This is not one of the most ideal astrological combinations for partnership and marriage. There are issues of control and dominance for you to work out between you. One of you tends to dictate the terms of the relationship, much to the chagrin and frustration of the other. Thoughts of separation often cross your minds.

Brad's Moon is Conjunct Jennifer's Uranus 4°44' S

You are constantly intrigued with one another and have the ability to hold sway over each other by being unpredictable and unconventional. You receive much stimulation from one another. Your days and nights together are never boring. Other people may not understand the nature of your relationship; but that doesn't worry either of you. If you end up living together your domestic arrangements will tend to be irregular. You like your individual freedom and need occasional periods apart; but just long enough to miss each other. Intuition between you is strong.

Brad's Mars is Conjunct Jennifer's Uranus 0°29' S

Personal freedom and independence are very important to you both. You will rebel against each other if you sense a threat to your self-determination. Both of you can be difficult to live with sometimes. You often provoke each other to get a reaction and refuse to compromise when you know you can. Fights and arguments are frequent.

Brad's Jupiter is Square Jennifer's Uranus 0°50' A

You like to keep each other guessing and alert to any eventuality. The nature of this aspect is to keep you both on your toes; you can never be sure of what's around the corner. You enjoy surprising each other and being spontaneous. Your shared philosophy is "live for the moment". Difficulties can arise between you due to extravagance or financial mismanagement.

Jennifer's Uranus is Trine Brad's Uranus 1°06' A

There is a wide age gap between you, including a generational one. However, you are intrigued by and interested in the differences that exist between you and delight in one another's uniqueness.

Jennifer's Uranus is Trine Brad's Pluto 5°16' A

You are both aware of social issues and may feel compelled to do something about those that concern you the most. If you combine your energies and resources, you can make a difference. You view change as a force for good even if it is accompanied by crisis.

Jennifer's Uranus is Opposition Brad's Moon's North Node 2°12' A

Your first meeting was probably sudden or initiated by a friend or acquaintance. It may, also, have taken place in circumstances which were unusual for you. Chances are that you both knew instantly that you'd strike up a connection.

Brad's Venus is Trine Jennifer's Neptune 3°54' A

You make fine music together and you both feel that you have found true romance together - and you have up to a point. Just don't put too many expectations on each other and keep it real, otherwise one or both of you could end up feeling a bit disillusioned. At the end of the day though, your love and devotion to each other win through.

Jennifer's Neptune is Trine Brad's Midheaven 2°09' S

You know and understand each other at a deeply personal and inner level. You share similar ideals and spiritual aspirations. You have the ability to inspire and be inspired by one another.

Brad's Mars is Sextile Jennifer's Pluto 2°09' S

When you put your hearts into it you can achieve a great deal together. You can motivate each other to get things done, even if it requires long hours of work or extra efforts.

Brad's Uranus is Opposition Jennifer's Pluto 2°46' A

You are both aware of social issues and may feel compelled to do something about those that concern you the most. If you combine your energies and resources, you can make a difference. You view change as a force for good even if it is accompanied by crisis.

Jennifer's Pluto is Trine Brad's Moon's North Node 3°51' A

Special forces in your personal destinies have brought you together. There is a karmic dimension to your connection.

Brad's Jupiter is Trine Jennifer's Moon's North Node 0°13' A

The connection between you is generally harmonious and mutually uplifting. You get along well with each other and are tolerant and supportive of one another's outlooks and beliefs. You interact well together with others and make many friends as a couple.

Brad's Sun is Sextile Jennifer's Ascendant 2°59' S

A harmonious aspect between the Ascendant and the Sun makes for an ease of individual and social interaction. You are able to relate well to each other and come across to others as a confident couple who look right together.

Brad's Venus is Square Jennifer's Ascendant 5°33' S

You are strongly attracted to each other emotionally and physically. You may feel connected at an inner level and that you should be together. The chances are though that your association is purely romantic; however you can develop it into something more serious by being sincere in your affections for one another.
